

Curriculum vitae

Name: Krzysztof

- Summary:**
- Analytical, technical and communication skills, is able to work as a team member, team leader and also as freelancer in cross-functional technical environment, well organized, flexible, always ready to apply new challenge, friendly and ready to work
 - MSc Applied Electronics (Medical Equipment), ISTQB Certified, PhD dissertation ongoing.

Work experience

2010 – 2008	Project Manager - project (mobile vendor) <ul style="list-style-type: none">• End to End service management and verification• motivating and coaching team members• managing test plans and documentation• test planning, recording, execution, and checking• tools/environment (HP tools – QC, DMS, customer tools(classified) others SVN, Jira, MMaster, Selenium, Jameleon, Weibull (ReliaSoft))	Tieto Czech Software Centre R&D Service Line
2006 – 2008	Test Manager - project (mobile vendor) <ul style="list-style-type: none">• End to End service management and verification• motivating and coaching team members• managing test plans and documentation• test planning, recording, execution, and checking• tools/environment (HP tools – QC, DMS, customer tools(classified) others SVN, Jira, MMaster, Selenium, Jameleon, Weibull (ReliaSoft))	Tieto Czech
2006	Software tester NETeXPERT project <ul style="list-style-type: none">• test planning, recording, execution, and checking for test completion• preparing documentation and reports• tools/environment (Java, Oracle, Unix)	Tieto Czech
2005 – 2006	software tester <ul style="list-style-type: none">• test planning, recording, execution, and checking for test completion• preparing documentation and reports• tools/environment (Load Runner, QTP)	Tieto Czech
2005 – 1997	teaching assistant Technical University Gliwice <ul style="list-style-type: none">• operation research, ICT,• teaching, laboratory classes	Politechnika Śląska

Work experience

1997 – 1994	Director, ICT manager	Racibórz RIG
1994 – 1989	ICT solutions for SME's	Rybnik WIP

Education, courses and Certifications

Tieto courses		
2009	Configuration, Requirement, Test Mgmt	
2009	SCRUM workshop	
2008	Presentation skills training	
2008	SCRUM training	
2008	RUP –Test Leader training	
2008	Project Manager / IPMA –C training	
2008	ITIL training	
2007	TE FLM TietoEnator First Line Manager training	
2006	NGOSS (NETeXPERT) –training, testing, project	
2006	Mercury Load Runner –training	
2005	ISEB Software Testing Foundation certificate and training	
2005	Quick Test Professional 8.2 - training	
Education		
2000	Postgraduate study	Telecommunication Politechnika Śląska
1989	MSc	Applied/ Medical Electronics Politechnika Śląska

Areas of expertise

Process/Methodology	<ul style="list-style-type: none">• NOCOP• Rational Unified Process (RUP)• TE-PM Project management process
Environment	Windows, Unix, Linux,
Programming language	structural (Algol, Fortran, C), embedded (Intel, AMD, Z) , object Java (basis)
Tools	common testing tools: QC, DMS open source: Selenium, Jmeter, bugzilla etc specialized: flashing tools, testing automation tools, LabView, Monitor Master, Weibull- Reliasoft
Technology	Applied electronics

Language skills

Language:	Native	Fluent	Good	Basic
English		<x>		
German			<x>	

Language skills

Russian <x>
Polish <x>

Additional information

- Opened PhD dissertation in area IT/Risk in testing - Technical University Gliwice
- Czech Testing Day 2011 <http://www.czechtest.com/programme>
